Independent Auditor's Report

To the Township Supervisors Hamiltonban Township Adams County, Pennsylvania

Opinions on Modified Cash Basis of Accounting

We have audited the general fund and special revenue funds, presented in accordance with the reporting framework required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30 of Hamiltonban Township, Adams County, Pennsylvania (the Township), which comprise the balance sheet - modified cash basis as of December 31, 2023, and the related statement of revenues and expenditures - modified cash basis for the year then ended.

In our opinion, because of the effects of the matters discussed in the Basis for Adverse Opinions on Modified Cash Basis of Accounting section of our report, the financial statements referred to above do not present fairly, in accordance with the modified cash basis of accounting, which requires disclosures similar to those required by accounting principles generally accepted in the United States of America, the balance sheet - modified cash basis of Hamiltonban Township, Adams County, Pennsylvania, as of December 31, 2023, and the respective changes in the statement of revenues and expenditures - modified cash basis for the year then ended.

Opinions on Reporting Framework Required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective balance sheet - modified cash basis of the Township, as of December 31, 2023, and the respective statement of revenues and expenditures - modified cash basis for the year then ended in accordance with the reporting framework required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30.

Basis for Adverse Opinions on Modified Cash Basis of Accounting

The Township prepares its financial statements in accordance with the reporting framework of the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30 utilizing the modified cash basis of accounting. These requirements permit the financial statements to be prepared without footnote disclosures to the financial statements which are required by the modified cash basis of accounting. The effects on the financial statements between the reporting framework required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30 and the modified cash basis of accounting, although not reasonably determinable, are presumed to be material.

Basis for Opinions on Reporting Framework Required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Township and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the reporting framework of the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30 utilizing the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. This includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Township's internal control. Accordingly, no such
 opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole in accordance with the reporting framework required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30.

Basis of Accounting and Presentation

The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than the accounting principles generally accepted in the United States of America. The accompanying financial statements are presented in accordance with the reporting framework required by the Commonwealth of Pennsylvania Annual Audit and Financial Report Form DCED-CLGS-30.

Report Date Chambersburg, Pennsylvania
