

Hamilton Township Sewer Authority

October 17, 2012

Board Members in Attendance:

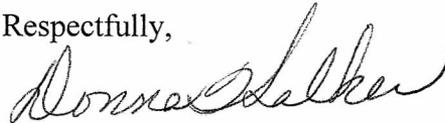

Jay McDannell  
Bill Shriner  
Donna Walker  
Colleen Reamer

Meeting was called to order by Jay McDannell.

Minutes from April meeting were read and approved. Jay made motion, Bill second.

Colleen Reamer gave us an update as to how the transition was going with PA Aqua Water Co. The supervisors are hoping to have everything completed by the end of the year. Everything seems to be going in the right direction. After Colleen gave us the update and we had nothing to add, we adjourned at 7:25 p.m. on Jay's motion and Bill's second.

Respectfully,
